Free session on County's Home Repair and Modification Program - Monday, March 22
Co-hosted by CA's Senior Advisory Committee and Howard County Office on Aging

The Columbia Association (CA) Senior Advisory Committee and Howard County's Office on Aging will host a free information session on Howard County's Home Repair and Modification program on Monday, March 22 at 2 p.m. at CA Headquarters. The Howard County Department of Citizen Services, through its Office on Aging and Disability Services Office, provides home repair and modifications to low-income elderly and individuals with disabilities.

The program's primary goals are to:

- Provide financial assistance to qualified homeowners who are unable otherwise to finance accessibility or repair expenses for their homes
- Increase safe, affordable and accessible housing options in Howard County
- Promote aging in place
- Promote self-sufficiency and independence for seniors and individuals with disabilities

This free session is open to Columbia residents. CA Headquarters is located at 10221 Wincopin Circle in Columbia. For more information, please call 410-715-3170.
